

## Porch to Pantry 2023

October 16th through November 13

Did you know that Food Insecurity affects about 15% of Carteret County? Help stock our local pantries by participating in our neighborhood's Porch to Pantry program!

How it works:

- Clean out your pantry, cupboards and food shelves!
- Bring nonperishable items to \_\_\_\_\_
- Place items in the Neighborhood Collection Box

**Yes! Expired items (within reason) are accepted!**

Thank you for helping with this project! If you need more information or want to host a box on your porch in the future, please let me know!

The Carteret Food and Health Council is proud to partner with the Carteret County Democratic Women to sponsor neighborhood Porch to Pantries Programs around the county.
